January 2020

CONSERVATION UPDATES:

Book NOW for SNOWSHOES! I have one class spot left for January. And February is WIDE OPEN for class spots. I have 5 pairs of snowshoes that fit children 90 lbs. and below. I have 25 pairs fit children weighing up to 175 lbs. and 3 pairs for children over 175 lbs. Here is how it will work, I have a couple days open in January and February spots are (2/25-27) for snowshoe programs. You can email me and set up a program like you usually would, I will put you on the list for that month (if no snow yet) or if we have snow we can put you in on a date for the program. Another words very flexible!! Think about bundling up your whole class and getting them in the shoes, so 45 mins is preferred for 3rd -12th grades. 2nd grade and below (EVEN preschool!), same amount of time roughly, considering that your children are weighing less than 90 lbs. and we can rotate them in and out in groups of 5. Any green space will work near the schools, and with the least amount of concrete for the snowshoes to be near is best! Cancellation policy: if you do not have outside recess we won't go outside either. If there is no snow you may schedule a snow-date.

Schedule now for the Great Backyard Bird Count, the count is February 14-17th! I will come in give some basic bird ID and run the class through the recording sheets and how to report on line if the teacher would like to go that route! We want the Atlantic area to be #1 again this year! Great for 5th grade and up!

Upcoming public programs this month: Cabin Fever Escape- January 18th 1-4pm @ Outdoor Educational Classroom. Sledding, snowshoes, warm drinks and movie inside the shelter. There are no snow activities planned.
