

Jr. Kdg Programs

2018-2019

Available from

The Cass County Conservation Board

712-769-2372

The programs listed below are sponsored by the Cass County Conservation Board and will actively involve your children in a fun, educational way. If you would like a program please call or email Lora Kanning at the Cass County Conservation Board. Programs are provided free of charge.

Very Hungry Caterpillar

We will read Very Hungry Caterpillar, and discuss caterpillars and butterflies. We will also play a caterpillar food counting game.

Smokey Bear

We will read a story about the famous bear! We learn his fire ABC's and prevention tips! A great new October fire prevention program!

Terrific Turkeys

We will read a book about turkeys, and learn more about them through playing a role playing game!

Snowflake Bentley

We will read this book and explore snowflakes!

Insects and Bees

After a book about hives, we will learn more about insects as well. We'll learn the bee dance and practice seeing like a bee!

Bobcats

We will read **Pouncing Bobcats** that talks all about Bobcats. Then we will talk about how animals can have a hard time getting food in the winter.

Salamanders

We will read **the Salamander Room**, talk about how salamanders are special amphibians and complete a few activities that relate to Salamanders. We will also talk about how Salamanders don't make good pets.

Mom's on the Go

We will read **You are Special, Little One** that talks about how animal babies are special. Then we will talk about Animal moms; play an animal mom matching game and talk about the different types of animal moms and how some are on the go.
