Agenda upon motion by Waters, 2nd by Baier was approved. Minutes of January 17, 2018 upon motion by Green, 2nd by Wedemeyer were approved.

At about 8:35 a.m. the Board recessed and a public hearing was conducted on proposed Cass County Ordinance No.
 36: Operation of ATVs on County Roadway.

Notice of public hearings on the adoption of Ordinance 36 was published in accordance with Iowa Code and this is the time and place for the first hearing at which the Board shall receive oral or written objections from any resident or property owner of the County. Process of adoption: three hearings on three separate dates. Board, in an open meeting, must approve draft after each hearing (amendments allowed) to continue to next hearing; after the third hearing, a final approval and the adoption will be considered.

No written objections or support statements were filed. Persons present all appeared to be in support of legalizing operation of ATVs and Off-road UVs on county roadway. Supervisors reported that they had received both support and objection comment. Safety concerns were main reason for objection. Support reasons included expanding agricultural use permitted routes, give construction and other businesses the same rights as farmers, driving ATVs between garage and recreation areas, allow travel through countryside on ATVs, etc. Request was made that the board consider changing section on UNLAWFUL OPERATION in regard to a maximum speed limit; county attorney agreed that stipulating a maximum was not necessary.

This is the time and place for the second hearing at which the Board shall receive oral or written objections from any resident or property owner of the County.

No written objections or support statements were filed. Several persons were present and at least two stated they were opposed to the ordinance for safety and other reasons. Supervisor Green reported that he had at least forty one contacts with pro and con division of 20 and 21. Safety concerns were the main reason for objection. Deb Schuler and Bev Groves, representatives from the Wellness Committee, reported the 2017 Wellness Program was successful, as the 5% premium discount was obtained, realizing a \$66,663.35 savings to the county on their health insurance premiums. The committee explained that it expended considerable time and effort to achieve required participation. They went onto explain program changes for 2018, which will decrease the incentive dollar amount the employees will receive for participating and requested the Board consider supplementing the program by offering an eight hour day off for those employees who complete all the programs by July 31, 2018. They also requested employee contribution toward premium be greater for Wellness Program non-participants than for participants, which would be a 5% increase. The Board expressed their gratitude toward the Wellness Committee.

Motion by Wedemeyer, 2nd by Green: to approve an incentive to employees who participate in the 2018 Wellmark health insurance wellness program and who complete 100% of the wellness programs offered by July 31, 2018: one additional paid day off (8 hours); and to establish a different employee health insurance premium contribution for those who participate and complete 100% of the programs offered and those who do not complete 100% of the programs offered will be an additional 5% of the full undiscounted Wellmark premium. Pipeline Foods, LLC – a developer of supply chains in agriculture with a focus on organic foods and feeds, grains, oilseeds, and ingredients will be acquiring, converting and utilizing a facility north of Atlantic for organic grain handling. Total capacity of facility about 3.4 million bushel. About 2 million bushel capacity will be utilized for conventionally grown grain and the other 1.4 million bushel capacity will be utilized for organic crops. Plan is to acquire the facility in mid-September. Local farms are expected to transition from conventional to organic farming as organic farming allows farmers to reap up to three times the profit margins of non-organic farming. It was stated that crop land can be rotated in and out of organic production. Request submitted for abatement of a portion of the property tax for five years. Taken under advisement with action to be taken August 15.

Monday, October 15, 2018

The Cass County Board of Supervisors met at 8:30 a.m. with three members present: Gaylord Schelling, chair; Steve Baier and Mark Wedemeyer. Absent: Stephen Green and Frank Waters. Agenda upon motion by Baier, 2nd by Wedemeyer was approved. Minutes of September 28, 2018 upon motion by Wedemeyer, 2nd by Baier were approved.

Connie Boose asked the board to consider painting murals on the garage doors on the west side of the courthouse.

Monday, October 15, 2018 (continued)

Connie has painted Coca-Cola murals in Atlantic and said the CPC and City of Atlantic asked her to look for three or four more places in Atlantic to paint other murals. She stated the courthouse is a beautiful art deco building, built in 1934 and she would paint art deco style murals. She suggested an eagle motif for one of the doors and a floral motif for the other. Painting and maintenance of the murals would be at no cost to the County.

The supervisors and county sheriff stated they had no problem with the murals being painted on the garage doors. Boose stated she will be presenting the plan to the City and the CPC for their approval. If approved, the board will take official action at a future board meeting.

An existing 58 foot trestle bridge will be replaced with a 70 foot concrete culvert.

Motion by Baier; 2nd by Wedemeyer: to approve the plans for a bridge replacement project: reinforced concrete box culvert on Quincy Road over Hoyts Branch, Project No. L2018-165—73-15. Carried unanimously.

Motion by Wedemeyer; 2nd by Baier: to approve FY20182019 Rural Transit System Joint Participation Agreement with SWIPCO (contribute \$6,000 to the operation of this project). Carried unanimously.

Motion by Wedemeyer; 2nd by Baier: to amend the County designated physician/clinic policy statement by adding the Anita Medical Center, the Griswold Medical Center and the Massena Medical Center as clinics in addition to the Atlantic Medical Center as authorized treating clinics for workers' compensation. Carried unanimously.

The Cass County Board of Supervisors met at 10:00 a.m. with all members present: Gaylord Schelling, chair; Steve Baier, Stephen Green, Frank Waters and Mark Wedemeyer. Agenda upon motion by Baier, 2nd by Waters was approved. Minutes of October 31, 2018 upon motion by Wedemeyer, 2nd by Green were approved.

County Conservation Director Micah Lee presented quarter ending 9/30 report of activity at county recreational sites (maintenance at Cold Springs, West Nodaway Area, Pellett Memorial Woods and Outdoor Classroom) and naturalist's environmental education activities (67 programs to 1,115 persons).

The Board and representatives from ISU extension, Cass Co. Memorial Hospital, Harrisdale Homestead, Cass Co. Conservation, etc. discussed the concept of a Wellness Coordinator for Cass County who would be a connector and bridge builder between various working groups around community health initiatives. Projects involved in could include community events promotion, infrastructure and implementation projects, food systems development, applying for grants and educational programming.

Considered was a part time (*average 20 hours per week*) county-based position with the county providing a portion of the salary plus other non-salary expenses such as an office in the courthouse. Other funding partners could include ISU Extension, YMCA, and CCMH to start. Considered was an annual wage of \$20,000 with each funding partner (minimum of four) contributing \$5,000 per year. Since Soc. Sec. and IPERS would be over 17% additional, a higher contribution may be requested. Proposed was a possible 28E agreement and intent to commit to five years. Also discussed was a one year renewable agreement. After due consideration, the consensus of the board was to proceed with work plan with goal of having something in place by end of calendar year.

Reports filed: October 2018 Sheriff's and Recorder's reports of fees collected.

The Cass County Board of Supervisors met at 8:30 a.m. with all members present: Gaylord Schelling, chair; Steve Baier, Stephen Green, Frank Waters and Mark Wedemeyer. Agenda upon motion by Baier, 2nd by Green was approved. Minutes of Nov. 21, 2018 upon motion by Wedemeyer, 2nd by Green were approved.

Dave Sturm of Snyder & Associates reported signed request for final payment on road paving project has not arrived. Action tabled to future board session.

Certificate of completion on the URA Road paving construction project is ready for approval.

Motion by Green, 2nd by Waters: to approve certificate of completion and agreement accepting work on Glacier Rd, Buck Creek Rd & Echo Rd. Paving project. Carried unanimously.

The City of Anita has requested the abatement of tax on a parcel now owned by the city; and in accordance with Iowa Code 445.63, when notice is sent to a municipal subdivision of the state of Iowa: "If the governing body fails to pay the total amount due, the board of supervisors shall abate all of the taxes."

Motion by Wedemeyer; 2nd by Baier: to abate all taxes, penalties and interest collectible on parcel 320007563001000 (402 Locust St., Anita) and to direct the treasurer to strike the amount due from the county system; and to classify parcel tax exempt for FY2019. Carried unanimously.

Kate Olson, ISU extension, and Beth Olsen, Cass Co. Memorial Hospital and the board continued discussion on a proposed position of a county-wide Wellness Coordinator who would be a connector and bridge builder between various working groups around community health initiatives; prepare grant applications; etc. All four proposed partners (Cass County, YMCA, CCMH and ISU Extension) indicated its entity would be willing to contribute \$6,000 toward said position.

After due consideration, board consensus was: to support the position for one year (option to renew) with contribution of \$6,000 from the Local Option Sales Tax Fund; lease an office in the Walnut Street annex (e.g. \$1 for the year) if one of the other contributors did not have office space available; and for the 'employer' to be one of the other organizations (probably ISU extension). Taken under advisement.
