

Cass County Resolution No. 2021-030
RESOLUTION AUTHORIZING SCATTERING OF CREMAINS

In the matter of cremains buried in a shallow grave in Section 17, Bear Grove Township, Cass County, Iowa:

Whereas the cremains were buried in a shallow grave with the top of the container less than three feet below the surface, and

Whereas the wishes of the individual(s) were that their cremains be on their private property, and

Whereas the closest surviving family wish to have the cremains scattered on the private property, and

Whereas the private property has changed ownership since said shallow burial, and

Whereas the new owners of the private property wish to scatter the cremains on the private property, and

Whereas there is no cemetery board or sexton for Bear Gove Township, Cass County, Iowa

Be It Resolved Therefore, that the Cass County Board of Supervisors authorize that such cremains be scattered on the property either by the present owner(s) of the property or their designee in such manner of appropriate respect and compliance with Iowa Code 641—97.13 and having given prior notice of such scattering to the surviving family members of a sister in Illinois, a niece in Illinois, and a niece in Nebraska.

Resolution ADOPTED this 14th day of December, 2021.
