M/S/C Coughlin / McLaren to approve the Financial Statements since last meeting. Carried unanimously.

Director's Report: Mike Kennon said that the Cass Co. 911SB fund balance is relatively low due to large projects over the last year. We are likely entering a period of conserving funds to support possible local ISICS Enhancement Projects and corresponding maintenance contracts. Kennon is also still waiting for DOT officials to make decisions that would allow Cass County to place radio equipment on their tower at Oxford Road and Highway 71.

Respectfully Submitted,

Old Business: None.

New Business: None.

There were no public comments or concerns.

M/S/C Baxter / Bissell to adjourn at 7:00pm.
