Brief Description of Project:

Purchase of Nustep Recumbent Cross Trainer, to assist elderly in our community with their health & fitness needs.

Vendor:

Rush Pedal Pull of Ankeny, IA

Estimate Cost of Project:

\$4,919.00

Time Frame for Completing Project:

We would like to assist the Cumberland Fitness Center in providing this equipment to our citizens by Sept. 2022 if possible.

Category Qualification (Check One):

- Public Health & Environmental Health
- Mental Health & Public Safety
- County Infrastructure & Dept. Services
- Business & Community Outreach
- Other/Future Projects

Benefit of Project in regards to the Category Qualification: Please Be Specific

Volunteers in the Cumberland IA area have operated a free community fitness center for the past three years. Anyone 12 yrs and older may use the center + equipment at no charge. Some elderly community members those needing rehab services requested a Nustep Cross Trainer to aid them in reaching their health & fitness goals. Two years ago we were able to secure an older refurbished model which is showing signs of wear + repeated use. There are times when there's a waiting period to use this popular and much needed piece of equipment, especially by our elderly. We are requesting funds to be able to purchase a new Nustep so we can support more residents locally, so they don't have to travel to access the equipment. Our center provides CPR certified
