

Cass County Veterans Director

Under general supervision of the Cass County Veterans Commission, the Veterans Director will provide assistance with Veteran programs in accordance with Chapter 35B of the Code of Iowa. Assists Veterans and/or their eligible dependents in securing local, state, and federal benefits resulting from eligible service in the United States Armed Forces. Provide outreach services to Veterans and serves as a Veteran Advocate in the community.

Applicants must be honorably discharged U.S. military veterans. Must be able to attain national accreditation as required by Chapter 35B of the Code of Iowa within one (1) year of employment.

Applicants must be able to attain accreditation and pass a federal VA background check to use VA programs for veterans benefits within one (1) year of becoming accredited.

Any position offered by Cass County is contingent upon a satisfactory pre-employment/post-offer physical and drug test, as well as satisfactory background check. Must have a valid driver's license and be insurable under Cass County's liability coverage. May also require use of private vehicle for official business.

Salary range: \$40,000-\$49,000
