NOTICE TO OWNER / SURVEYOR

The decisions on the above requirements by the respective county officers are based on the information provided. If corrected or additional information is thereafter supplied, there may be additional or more restrictive requirements. Also, you must check with the city if the proposed division lies within two miles of an incorporated city to determine whether the city has a zoning ordinance that will impact your ability to divide and/or use the property. The division may be subject to city subdivision and/or zoning laws even though your property does not lie within the city limits.

Minor errors will be returned for corrections. Major errors will require a new submittal of plat.

It is the intention of the County Officers to process this within two (2) working days
