Chief Deputy John Westering explained that he is responding to questions from the Center for Immigration Studies confirming Cass County is not a Sanctuary City or County. Last week, nationwide news outlets reported a map listing Cass County as a sanctuary location. Concerned citizens contacted county officials which led them to investigate the source of the incorrect information. The Center for Immigration Studies' website was found to list a number of southwest lowa counties. The website was contacted and requested to correct the inaccurate information and remove Cass County from the list. The Center for Immigration Studies requires a statement from a county official clarifying, "the county honors all detainers (and does not require a judge's

approval), allows ICE access to the jail, and does not have a policy prohibiting county officials from communicating with ICE (as per 8 USC 1311 and 1644)." Westering is providing the necessary information and Chairman Baier will send additional confirmation to the Center for Immigration Studies confirming Cass County is not a sanctuary city.

Richter moved, Green second, to table abatement of all taxes, penalty, interest and tax sale for 405 Cherry Street in Atlantic under Iowa Code 445.16 until the March 19, 2024 meeting. All ayes. Motion carried.

County Engineer Trent Wolken reported on weekly activities.

Richter moved, Green second, to appoint Ciara Hoegh to the Cass County Local Food Policy Council for the four-year term from January 1, 2024 – December 31, 2027. All ayes. Motion carried.

Green moved, Richter second, to appoint Mark Smith to the Cass County Conservation Board for the five-year term from January 1, 2023-December 31, 2027.

Green reported that an ambulance has been ordered.
