

HELP WANTED

The Cass County Engineer's Office is accepting applications for the position of an Engineering Technician. This position requires a high school diploma or GED with a two-year associate degree in a job-related program. Responsibilities include, but not limited to, construction project inspection, CAD drafting and project design, and topographic and construction surveying. The ability to acquire, possess, and maintain Iowa DOT certifications in aggregate, HMA, and PCC is required. This position involves both indoor and outdoor work. The successful candidate must be self-motivated, have good communication skills, and the ability to work well with county employees, contractors, and the general public. Applications may be picked up at the Cass County Engineer's Office, the Cass County Auditor's Office, or www.casscountyiowa.us and will be accepted at the same offices at 5 W 7th Street, Atlantic, Iowa, or by email engineer@casscoia.us, E.O.E.
